

## **Professional Profile: Anthony Piotrowski, 2014**

May 27, 2014 - Green Buildings

Name: Anthony Piotrowski, P.E.

Title: Principal

Company: WB Engineers+Consultants

Location: 110 William St., New York, N.Y.

Birthplace: Germany

Education: BS in Electrical Engineering

First job outside of real estate: Bulk newspaper delivery for a major N.Y.C. publication during my college years.

First job in real estate or allied field: Electrical designer for a consulting engineering company in N.Y.C.

What do you do now and what are you planning for the future? I am currently the chief electrical engineer, project manager and lead electrical design engineer for WB on a \$90 million project that includes the restoration of a major telecommunication equipment facility in N.Y.C. that was severely damaged by Superstorm Sandy. WB has offices in N.Y.C., Boston and Washington, D.C. - and we are soon opening a fourth office in N.J.

How do you unwind from a busy day in real estate? Spend time with my beautiful wife and family, cultivate my garden, take trips to the great outdoors, find a great bottle of wine for under \$10 and perform random acts of kindness.

Favorite book or author: "The Shack" by William Young

Favorite movie: "Forest Gump"

Last song you purchased/downloaded? "We Are Love" by Il Volo.

One word to describe your work environment: Terrific.

Rules to live by in business: Say what you mean and mean what you say.

If you could invite one person to dinner (living or dead) who would it be and where would you go?

My deceased friend Hank who always made me laugh and introduced me to Joe's at Avenue U in Brooklyn, N.Y..
