

Professional Profile: Nicholas Davis 2014

July 28, 2014 - Green Buildings

Name: Nicholas Davis

Title: Managing Director

Company: AGRION Americas

Location: New York

Birthplace: Brooklyn, N.Y.

Education: Masters, Resource Economics

First job outside of real estate: Environmental Assoc. for a California utility

First job in real estate or allied field: Vertical manager, Energy & Environmental Think Tank

What do you do now and what are you planning for the future?: Oversee Americas sales, operations, and product teams across 3 offices for AGRION, the energy & cleantech market maker. AGRION assembles digital and physical marketplaces to get the best technologies and ideas into the hands of facilities managers, energy managers, and decision-makers looking to improve their infrastructure footprint.

How do you unwind from a busy day in real estate?: Playing ice hockey in an old man rec league, playing the blues on harmonica, sax, and mediocre vocals, spending weekends hiking upstate.

Favorite book or author: Mario Vargas Llosa, War of the End of the World

Favorite movie: The Lorax (not the new one)

Last song you purchased/downloaded?: Don't Stop Believing by Journey

One word to describe your work environment: Collaborative

Rules to live by in business: Same as "last song you purchased"

If you could invite one person to dinner (living or dead) who would it be and where would you go?: Teddy Roosevelt. We'd go to Tina's for Cuban.

What is your dream job?: Exactly what I'm doing now, except in a beachfront office 1/3rd of the year.
