Q: Your most memorable or favorite "15 minutes of fame" in the NYREJ:

A: Being featured as Executive of the Month in June of this past year was an exciting opportunity because it allowed me to answer questions and address topics that reflect the core values of the firm and explain how we are different from other firms. As I said in the profile, the firm has grown and been successful largely due to our dedication and commitment to each client and our promise to operate with honest and integrity above all else. I look forward to future involvement with NYREJ and continuing to contribute our content and knowledge.
