September 08, 2014 - Design / Build

Grassi & Co. was named among the Top 100 Largest Firms in the U.S. for 2014 by INSIDE Public Accounting (IPA) in their annual survey.

"Being among the nation's Top 100 firms for the third consecutive year is a true testament to the hard work of our professionals and their continuous dedication to our clients." said Louis Grassi, CPA, CFE, managing partner of Grassi & Co. "We are proud to be recognized again."

The IPA reviews more than 400 accounting firms nationally each year. In a year where many similarly sized firms merged into larger or big-four firms, Grassi & Co.'s ranking of 78th is a great achievement, especially considering the extremely competitive New York market in which they are based.
