

Professional Profile: Casey Birmingham

September 22, 2014 - Green Buildings

Name: Casey Birmingham

Title: Project Manager

Company: The Falcon Group

Location: New York, NY

Birthplace: Clinton, NJ

Education: BS Mechanical Engineering, Northeastern University, Boston

First job outside of real estate: Lifeguard

First job in real estate or allied field: HVAC/energy engineer

What do you do now and what are you planning for the future?: The Falcon Energy/MEP Division is in the process of developing next-generation retro-commissioning practices that utilize new wireless equipment monitoring technologies.

How do you unwind from a busy day in real estate?: Playing/listening to music, running.

Favorite book or author: "Fight Club" by Chuck Palahniuk.

Favorite movie: "Shutter Island"

Last song you purchased/downloaded?: "R U Mine?" by the Arctic Monkeys.

One word to describe your work environment: Dynamic

Rules to live by in business: Take time to get to know your colleagues, because you never know who you may run into down the road.

If you could invite one person to dinner (living or dead) who would it be and where would you go?:

Dinner with Eric Clapton at Fajitas and Ritas in Boston.

What is your dream job?: Lead engineer of a building energy network operation center (ENOC).
