

Picone Construction completes renovations to Saints Peter and Paul Church; Silvestri Architects, PC is the architect of record

October 20, 2014 - Upstate New York

Picone Construction, the design/builder for this project, has completed renovations to Saints Peter and Paul Church. Work included installation of new chandeliers, sound system, kneelers, three-phase power system, and restored stations of the cross. Additional restorations were made to the church's marble work at the altar, parquet flooring, and the terrazzo. Interior painting has been finalized with a new updated color scheme. Picone Construction hired Silvestri Architects, PC as the architect of record.

Picone Construction Corp. has been providing professional construction services to the Western New York area since 1931. The firm specializes in general contracting, construction management, and design / build services. Past projects stand as enduring testimonials to the integrity and commitment that has always characterized their work.
