

Rizzo joins DiMarco Constructors as P.E.

December 09, 2014 - Upstate New York

DiMarco Constructors hired Brandon Rizzo as a project engineer to assist with multifamily development housing and construction projects.

With a background in residential construction, Rizzo will apply his experience and understanding of the construction industry to assist the project superintendent with day-to-day management of on-site operations. He also will ensure projects are completed in accordance with the approved design, on time and within the established budget.

Additionally, he will maintain ongoing client and sub-contractor relationships and complete daily field reporting and photo documentation.

Under the guidance of his grandfather, Rizzo began working in the construction industry at a young age and continued to work with his father on rental property renovations. Most recently, he worked as a project manager for the remodeling program at The Inde Studio.

Rizzo resides in Perinton, New York, with his wife and family.
