What do you do now and what are you planning for the future? Vitruvian REIM is a unique Luxembourg-based independent real estate investment management company providing European investors (qualified investors) a direct access to U.S. real estate through a regulated and open-ended fund Vitruvian SCA Sicav SIF Fund. We aim to capture the private clients investor segment (under covered by the market), and to offer this segment direct exposure to the stable U.S. residential real estate market (an asset class currently under covered by EU investment managers) with the benefit of currency (USD) diversification. Vitruvian REIM aims to become the leading player in Europe offering direct and regulated access to the U.S. real estate market through two primary private investor segments.

How do you unwind from a busy day in real estate? Taking care of my twin children
