

WKBW selects Picone as design/builder for newsroom renovations

January 12, 2015 - Upstate New York

Picone Construction has been selected as the Design/Builder for WKBW TV's newsroom renovations.

Work includes: select demolition, new walls, doors and frames, new acoustical ceilings, vinyl composition tile, painting, HVAC, and electrical work. New furniture layout incorporates benching workstations.

Picone Construction has selected Silvestri Architects PC as the architect for this project.

Picone Construction Corp. has been providing professional construction services to the Western New York area since 1931. The firm specializes in general contracting, construction management, and design/build services. Past projects stand as enduring testimonials to the integrity and commitment that has always characterized their work. Extensive experience and knowledge insures that all clients will receive the quality and value they demand.
