How long have you been a member?

Since 2003

AREW positions held:

Board member, communications co-chair

How has AREW contributed to your career growth?

AREW's network of leading women in real estate provides developmental opportunities and a platform to build great relationships. Not only does AREW broaden my leadership experience and job performance, it contributes to my overall career satisfaction and commitment.

Most memorable AREW moment:

My most memorable AREW moment was being asked to serve on the Board as Communications Co-Chair. I remember walking into my first Board meeting and being immediately inspired by the significant number of intelligent, successful women in attendance. I was pleased to be a part of the group.

AREW members who have positively influenced your career:

Michele Medaglia, president of ACC Construction and Jennifer Murphy, vice president at Plaza Construction.
