How long have you been a member?

10 years

AREW positions held:

Board member, lunch co-chair, membership co-chair and charitable fund co-chair

How has AREW contributed to your career growth?

It has allowed me to foster business and personal relationships through networking-related activities.

Most memorable AREW moment:

It occurred while I was co-chair of the AREW charitable fund and we had volunteered to spend an evening reading to the children at the "Women in Need" shelter. We had ordered pizza and brought books for everyone. We all had a great time reading and sharing with the children, and it gave the parents a break.

AREW members who have positively influenced your career:
