What do you do now and what are you planning for the future? Currently, I am working as a project architect on several projects. My role is changing to technical director for the firm. My new role will leverage my abilities to assemble and integrate building components to actualize the vision of the design team and maintain high standards for the firm.

How do you unwind from a busy day in real estate? Walk the dog, treat myself to a gin and tonic, and enjoy a lovely dinner with my partner.

Favorite book or author: Isaac Asimov

Favorite movie: "Babette's Feast"

Last song you purchased/downloaded? Tough one...generally I stream music. That said, it would be "I Will Wait" by Mumford & Sons.

One word to describe your work environment: Collaborative

Rules to live by in business: Be honest, meet your commitments, reduce confusion and do excellent work.

If you could invite one person to dinner (living or dead) who would it be and where would you go? Benjamin Franklin at Keens Steakhouse

What is your dream job? Naval architect, designing sail boats
