Location: New York City

Birthplace and year: Brooklyn, N.Y., 1963

What do you do now and what are you planning for the future? Currently leading four development teams in the real estate-design & construction of hi-rise luxury condo towers. In the future I look forward to looking up at our projects knowing I had directed the efforts to accomplish our goals. Then a great glass of wine with Gail who gives me inspiration to succeed with my passion to build.

Hobbies: Taking in as many Yankee games as I can, playing softball with the old guys on Sundays-a little tennis and golf, catering to the kids and as a food and wine lover I enjoy discovering new restaurants and sharing exotic wine with my wife.

Favorite book: "The Fountainhead"

Favorite movie: "To Kill a Mockingbird"

Person you admire most (outside of family): Michael Caine

Key to success: Having been very involved for several years in building hotel and theme park projects with Euro Disney as a Walt Disney Imagineer was a command performance and highlight.

If you had to choose another vocation what would it be? I would probably be a country bumpkin veterinarian.
