

Gamco Corp. recognized by Glass Magazine for second year in a row

March 09, 2015 - Design / Build

Gamco Corporation, one of the New York metro area's leading manufacturers of specialty fenestration products and architectural metals, continues to receive notable national industry recognition. Glass Magazine has included Gamco in its 2014 list of Top Metal Companies for the second year in a row. Inclusion on the list acknowledges Gamco's continued sales growth and increasing presence within the fenestration-architectural metals industry.

In recent years, the company has added to its curtainwall, storefront, entranceway and architectural metal products portfolio with new products such as sunshades, structural skylights, folding window/wall systems and shower enclosures. Gamco has been the architectural metal and fenestration supplier for an increasing number of notable and award-winning projects throughout the New York metro area.

The 2014 Annual List of Top Metal Companies was published in the November 2014 edition of Glass Magazine. Along with Gamco, 41 other firms are ranked on this year's list, including industry giants C.R. Laurence/U.S. Aluminum, EFCO, Kwaner, YKK and Wausau.

Gamco Corporation manufactures a wide variety of custom quality fenestration systems and architectural metal appointments for commercial, institutional and residential properties. Founded in 1986, the company has established a reputation for excellence in quality, customer service, design and manufacturing. Based in New York City, the company serves architects, construction professionals and property owners throughout the metropolitan area, Northeast and Mid-Atlantic states.
