

## **TTL: Spring Preview at Fordham Hill Oval**

May 26, 2015 - Front Section

The Fordham Hill Owners Corporation Board of Directors, along with its management company Argo Real Estate, recently hosted the Spring Preview at Fordham Hill Oval. Shareholders and residents of the community were invited for a first look at near-completed, major renovations of building entryways including the expansion of the vestibule; handicap accessible ramps; digital directories; heating pads under the cement, eliminating the need for salt in the winters; and key FOB entrances. These thoughtful renovations are part of Fordham Hill Board of Director's ongoing "Capital Restructuring and Going Green" projects.
