The Rosenblum Companies is receiving the Green Award for numerous initiatives undertaken to ensure that the Great Oaks Office Park is both aesthetically pleasing and sustainable including new solar-reflective roofs and low profile, energy efficient LED parking lot lights, porous pavement parking lots to mitigate storm water runoff, construction material and carpet tile recycling, and low-impact integrated pest management (IPM). Each winner was nominated by community and chamber members and then selected by a committee consisting of Town officials, the chamber's annual dinner committee, and members.

Awards will be presented on Wednesday, June 3 at 5:30 p.m. at the Guilderland Chamber's Annual Dinner at Colonie Golf and Country Club, 141 Maple Rd, Voorheesville, NY 12186.
