June 16, 2008 - Long Island

Bob Damon, senior commercial director of Century 21 Commercial, has been named in the top 10 of 100 agents being recognized for their 1st quarter achievements as individual producers for closings in the Metro New York/Hudson Valley region.

Damon, formally of Prudential CRES Commercial Real Estate, has over 15 years of experience in sales, leasing and investments.

Century 21 Commercial is a division of Century 21 Sterling of Rocky Point and is located at 4400 Nesconset Highway. Century 21 is one of the largest real estate names in the world, and Damon feels that the recent relocation of the division to Port Jefferson will help to grow the division and service clients better.

Also named on this list is Daniel Hurney, formally of Prudential CRES, who is now acting as managing director of Century 21 Commercial. Hurney has over 12 years in the commercial real estate business.

"We're excited! The commercial market is strong on Long Island, and together with Dan and assistant director Brian Di Spaltro, we intend to give our customers honest, knowledgeable service" said Damon.
