If you're in the market for prime investment properties this is a great place to look. If you're selling a premium piece of commercial investment property this is a great place to showcase it, with proven results, every property that's been featured has had a great showing and many of them were sold within days as a direct result of being in the Featured Property spot.

Showcase your commercial investment property to the 20,000+ commercial real estate professionals that visit rejournal.com every month.
