Company Name: Triumph Construction Corp.

What was your most notable project, deal, transaction or professional achievement in 2017?

As president of Triumph Construction, I know that our achievements are the result of everyone in the organization. Success is a group effort, day in and day out. That's why I was so pleased when we received the Rising Star Award at the 2017 New York Construction Awards. It was an honor for everyone at Triumph to be recognized by their peers in the construction industry.

We have worked hard to become one of the largest privately-held utility contractors in the New York metropolitan area and are very proud of our contributions to some of this city's largest capital improvement projects.
