

2017 Year in Review: Jaclyn Peranteau, Prime Engineering, PC

December 19, 2017 - Spotlights

Name & Title: Jaclyn Peranteau, PE Principal

Company Name: Prime Engineering, PC

Address: 664 Blue Point Rd. Unit B Holtsville, NY 11742

What was your most notable project, deal, transaction or professional achievement in 2017?

I would like to say my involvement in the Stony Brook University Indoor Practice Facility Project. It is a \$9.5 million project and will serve the campus community and needs of the Athletics Department. It has been a fun and interesting project and will be exciting to see construction starting soon.

Who or what contributed to your success in 2017 and why?

My employees. A great employee is your best asset in business and should be treated as such too! Hard working, dependable and smart employees will drive your work and business and impact the success of your company.
