Who or what contributed to your success in 2017 and why?

The team at Berko & Associates has been the biggest factor in our success. We have a diverse group of talented professionals who all add value to our office and provide a superior quality of service to our clients. As we head into a bit of the unknown, it's the quality of our growing office that will continue to contribute to the evolution of our expanding list services including our market-making Israeli Bond program and the realization of our clients' goals.
