

## **Business Roundtable's Partnership for Disaster Response publishes guide**

October 04, 2007 - Owners Developers & Managers

The Business Roundtable's Partnership for Disaster Response, a cross-industry task force of the nation's top companies dedicated to better preparing businesses to more effectively respond to disasters, recently published, *Protecting Your Business*, a comprehensive guide of the issues real estate professionals should consider when sharing office space after a disaster. The brochure addresses key issues including:

- \* Rental and leasing concerns
- \* Building repairs
- \* Office insurance coverage
- \* Security provisions
- \* Disaster tax credits

The Partnership for Disaster Response was activated in 2005, immediately following Hurricane Katrina. Since then, the Partnership has been working to develop plans and resources to assist companies during all phases of disaster response.
