The office of M Moser Associates has moved its offices to 490 Broadway in SoHo. One of eleven offices on three continents, M Moser is a team of interior architects and engineers.

"This is an exciting time for M Moser. As we continue to expand our global presence, our N.Y. office is also growing, attracting talent from around the world and building relationships with some of the city's most dynamic companies," said John Sellery, managing director of M Moser.

Formerly located at 19 Fulton St., M Moser's new 6,000 s/f space comprises an entire floor.
