What was your greatest professional accomplishment in 2012? : n/a

What was your most notable project, deal or transaction in 2012? : My most notable transaction in 2012 would be the deal I brokered for East West Bank for their expansion and renewal at 535 Madison Ave; a 14,375 sq. ft. addition, asking rents were \$78 per sq. ft.

What are your predictions for commercial real estate in 2013? : I think commercial real estate in 2013 will continue to succeed, built spaces will see stronger leasing activity, as shorter term leases will be in greater demand. As such, I see prices increasing.

What are your resolutions for 2013? : For 2013, my main goal is expansion. I would like to increase my teams deal volume as well as increase the size of my team, hoping to add a few additional members.
