What was your most notable project, deal, transaction or professional achievement in 2018?

I was the recipient of the CREW NY 2018 Star Award which was a very special honor. As one of the leaders of the CREW Network Foundation which provides scholarships to women pursuing a career in commercial real estate, I have enjoyed “paying it forward” and giving back to the industry which has been so good to me. “Your network is your net worth” so in 2019, I encourage everyone to join an organization like CREW that provides professional development, networking and educational programming for personal and professional growth!
