What was your greatest professional achievement or most notable project in the last 12 months?

2018 was a very exciting year for me, being promoted to a principal at my firm and also being chosen as president-elect for CREW NY. The next few years are sure to be very busy for me with these new leadership roles. I also just wrapped up the construction of a 100% affordable housing development in Hells Kitchen which will be opening in the next few weeks.
