How many years have you been in your current field? 25

Which of your philanthropic endeavors are you most proud of?

One of the most recent philanthropic endeavors that I am most proud of is when we rented our office, the space was full of high-end, brand new stuffed animals and children's toys. We connected with St Francis Food Pantries who accepted our over \$10,000 donation in brand new stuffed animals and toys that will be distributed to needy kids over the winter.
