IFMA New York Chapter has been serving the needs of Facility Managers in New York City for over 25 years. The mission of the organization is to guide and advance the professional development of their members throughout their careers with support in certification, networking, education and research. From the beginning, the IFMA New York Chapter has been a leader in the Facilities Industry. Formed in 1980, IFMA certifies facility managers, conducts research, provides educational programs and produces World Workplace, the world's largest facility management conference and exposition.
