

H2M's Concepción-Cardon earns registered architect license in NYS

September 03, 2019 - Long Island

Adriana Concepción-Cardona,
H2M

Melville, NY According to H2M, Adriana Concepción-Cardona has been named a registered architect in the state of New York. In receiving her licensure, Concepción-Cardona also earned the promotion from project designer to project architect at H2M's headquarters. Working closely with emergency services, municipal, and public agency clients, her experience includes schematic design/pre-bond development, design development, and construction documents. She has seven years of experience in the industry and is a resident of Hauppauge. She holds a Bachelor of Architecture degree from Syracuse University.
