What is your favorite motivational quote?

“You miss 100% of the shots that you don’t take.”

Who inspired you to join the CRE Industry?

Ultimately, and I know it sounds cliché, my father’s passion for real estate and development naturally runs through my veins and I gave up law for real estate. My uncle and now business partner sponsored me and I never looked back at any other career.

How do you hold your own in a negotiation?

It ultimately depends who is across the table from you or on the other line. Every personality is different and as a salesperson its your job to adapt to their tactics and counter.
