

Legacy Development proposes Buffalo seven-townhouse project

October 01, 2019 - Upstate New York

Buffalo, NY According to Legacy Development, the firm has proposed an L-shaped masonry building at 8 St. Louis Pl. The project will need several zoning variances from the city to proceed.

According to public sources, the seven attached townhouses will each have a one car garage, rooftop terrace, green roofs and/or balconies.

Wendel Architects is the project architect. If the project proceeds, construction could begin in the spring, with build-out completed in phases.

The projected cost of construction was not disclosed.
