For more information about the event, please visit www.childrenawaitingparents.com or contact Maryjane Link at (585) 232-5110 or maryjane@capbook.org.

In 1972, a group of children advocates, including adoptive parents of children considered "hard to place," gathered around a kitchen table and developed The CAP Book to let people know about the many local children waiting for families. Today, Children Awaitng Parents is a national leader in finding families who can provide safe and permanent homes for older children, those with disabilities and sibling group.
