

Empire Commercial Construction builds out 2,000 s/f Forno Di Laura with Greater Living Architecture

November 05, 2019 - Upstate New York

Penfield, NY Empire Commercial Construction was awarded the contract for construction of the new Forno Di Laura, a pizzeria and bakery build-out. Empire teamed with Greater Living Architecture for design and construction of the 2,000 s/f restaurant build-out located at 1601 Penfield Rd. in Panorama Plaza, Unit 19. Construction work is underway, with completion slated for the middle of this month.

“Empire is excited to establish a relationship with this local business, while creating a dream space for them and their customers,” said Empire president, Jayne Penepent. “We are pleased to support small businesses in our community that bring quality, homemade goods to the Rochester area.”

Some special features to this location include a Bakers Pride Deck oven, double stack convection oven, custom millwork, reclaimed wood walls, walk-in cooler, polished concrete flooring, renovated restroom and office area, and refrigerated bakery display case.
