

2019 Year in Review: Jennifer Carey, JLC Environmental Consultants

December 31, 2019 - Spotlights

Name: Jennifer Carey

Company: JLC Environmental Consultants

What was your greatest professional accomplishment in 2019?

I was proud to be inducted as a “Woman of Vision” by the Commercial Real Estate Women’s (CREW) Network this year. The honor is an outcome of my cumulative financial contributions to the CREW Foundation. I find it very rewarding to “pay it forward” and one of the ways I do so is by donating to CREW Foundation which provides industry research as well as scholarships and career education programs for young people interested in learning about commercial real estate.
