

Fornataro joins SWBR as a designer/technician

August 25, 2008 - Upstate New York

SWBR Architects has appointed Leticia Fornataro as a designer/technician. She brings with her 12 years of experience in the industry, including work as an intern in both Brazil and the U.S. while attending University of Utah. Prior to joining SWBR, she opened VIA Concepts LLC in Miami, Fla. in 2005.

Fornataro earned her bachelor's and master's degree in Architecture at the University of Utah. She is an associate AIA, and has been a member of the U.S. Green Building Council (USGBC) since 2006. Additionally, Fornataro recently received her Leadership in Energy and Environmental Design (LEED) accreditation through the USGBC.
