Slated to begin construction this spring, The Cornerstone at Yorkshire will offer apartment living with amenities and high-end finishes close to downtown and transit.

The Cornerstone at Yorkshire includes 80 rental residences, comprised of 28 studios, 44 one- and eight two-bedroom units. Amenities will offer elevated apartment living attractive to a variety of lifestyles, from young professionals to empty nesters, including a modern fitness center, clubroom, courtyard, high ceilings, quartz counters, stainless appliances, elevator, washer/dryer in all units and central air. Parking is provided on-site.

In 2016, Terwilliger & Bartone Properties participated in a competitive Request for Proposals (RFP) process for the Capri Lynbrook Motor Inn property located at 5 Freer St. Before crafting specific plans for the class A residential community, Terwilliger & Bartone launched a community outreach campaign to solicit feedback that in turn informed the design, aesthetic and details of the vision to

create a community informed proposal.

Demolition is slated to begin this spring, and The Cornerstone Yorkshire is anticipated to open in Fall 2021. Leasing is expected to begin in the Summer 2021.

Details for a pre-construction meeting with neighbors this spring will be forthcoming.
