What do you do now and what are you planning for the future? For the past five years, the firm has been involved in external regional marketing for the Hudson Valley region of NYS. In addition, the firm will begin to assist in the development of shovel-ready sites and advocate for the need for more public investment in infrastructure in order to further opportunities in high technology employment in the region.

Favorite book: I really don't have a favorite one - I like to read about the founding fathers. They were true visionaries.

Favorite movie: "The Usual Suspects"

Person you admire most (outside of family): Austin Tobin, former executive director of the Port Authority of NY/NJ - his public works project had a profound impact on the N.Y. region.

Keys to success: Plan smartly, execute flawlessly, work tirelessly and measure the results.

If you had to choose another vocation what would it be? Football coach.
