

IREM donates \$4,000 from annual golf outing to the March of Dimes

September 08, 2008 - Owners Developers & Managers

For the past four years, the Greater New York Chapter of the Institute of Real Estate Management has supported the March of Dimes by donating earnings from their Annual Golf Outing. This year, the chapter donated \$4,000 to the organization in a ceremony held at the New York Helmsley Hotel.

IREM chapter president James Hayden, CPM, said, "The March of Dimes is the leading nonprofit organization for pregnancy and baby health. The money that we raise goes towards improving the health of babies by preventing birth defects, premature birth and infant mortality. Through research, community services, education and advocacy to save babies' lives the March of Dimes researchers, volunteers, educators, outreach workers and advocates work together to give all babies a fighting chance. We are happy to be able to support this most worthwhile effort."
