Syracuse, NY The Largo Group of Companies secured a total of \$12.7 million in financing for three office properties.

Ned Perlman, vice president of originations at Largo, negotiated a \$9.4 million loan with a federal credit union for a seven-story office building. The 75% leveraged deal featured funds for tenant improvements, 25-year amortization, partial recourse and no prepayment penalty.

Perlman closed a \$2.4 million refinance for a 36,000 s/f, four-story office building located in Buffalo's Central Business District. The fixed rate loan provided a 10-year term with 25-year amortization.

Perlman also closed a life company deal on a 7,000 s/f office building in suburban Buffalo. The 20-year self-amortizing mortgage offered the borrower full leverage at 75% loan to value.
