

Vestigo named v.p. of CPG Construction

September 15, 2008 - Long Island

Diane Vestigo, vice president of Cummings Posillico Group, located in Ronkonkoma, Long Island began her extensive career in the construction industry by means of a special business program run by Select Business Group. While participating in this program Vestigo was hired by Sav Mor Mechanical in a position which led to over 10 years of service within Sav Mor Mechanical's HVAC company as the company's first office manager, this experience is what Vestigo accredits to a comfortable transition into the construction management industry.

Vestigo joined the accounting department of Cummings Posillico Group in 2005 and quickly worked her way to vice president by allowing herself to learn all aspects of the industry.

Construction is a male dominated field, but unlike any other field if you prove yourself you can most certainly be accepted and respected, "I find the key to acceptance is to learn as much as you can on a daily basis, and show mutual respect to all peers and the walls of opposition will dissipate" said Vestigo.
