

The Doe Fund hosts Winter Toy Drive sponsored by Forever Sinclear Inc.

December 15, 2020 - Front Section

Webster Green, 3100 Webster Avenue - Bronx, NY

Bronx, NY On Sunday, December 20th, NYC-based nonprofit The Doe Fund will host a toy drive for families living in Webster Green, The Doe Fund's affordable and supportive housing residence at 3100 Webster Ave.

During the event, Santa Claus himself will greet and deliver presents to children who live in the residence, aided by his Elves. Each child will also receive a bag of cookies and hot chocolate. The annual toy drive is Forever Sinclear's third with The Doe Fund.

Forever Sinclear, Inc. is a nonprofit created in the memory of Sinclear Williams, an aspiring youth leader from the Bronx who was murdered at 16 years old. The organization organizes peer-led support groups for families who have lost their children to gun violence, in addition to providing grief coaching and support for victims during court dates and trials.

"Sinclear believed that no one was beyond the point of living a better life," said Michelle Lemons, co-founder of Forever Sinclear, Inc. and a program director at The Doe Fund. "Every year during the Holidays, he would tell his mother that 'every child deserves to have a gift for Christmas.' He also said that when he grew up, he wanted to help the youth in his community. We're proud to honor Sinclear by making both of these wishes a reality."

Designed by Magnusson Architecture and Planning, PC to achieve LEED Gold status in sustainability, Webster Green's features include ground floor offices for on-site supportive services, community spaces for hosting classes and events, lounges overlooking the Bronx Botanical Gardens, a laundry room, and a spacious lobby. Recipient of the Queens and Bronx Building Association's 2019 Building Award and the 2020 Best in American Living Award, Webster Green offers a groundbreaking new vision that challenges preconceived notions of what affordable and supportive housing can be.

All attendees will be required to wear masks and practice social distancing in accordance with

COVID-19 protocols.
