What was your most notable project, deal, or transaction in 2020?

The Doe Fund closed two crucial, interlinked deals this year on Gates Ave. in Bedford-Stuyvesant, Brooklyn via separate DHS contracts. For one, we refinanced our original transitional housing residence, allowing us to redevelop the facility to address obsolete building systems, client quarters, and program space. For the other, we acquired an adjacent site to develop a new 200-bed Center for Opportunity. These deals will greatly improve our ability to assist the homeless and formerly incarcerated men our programs serve.
