IREM NYC education offerings for 2021

January 05, 2021 - Owners Developers & Managers

New York, NY The IREM NYC chapter has decided to continue to offer courses virtually in the new year. This means that if you're thinking about becoming a Certified Property Manager, Accredited Commercial Manager or Accredited Residential Manager, you've got more options than ever before! The courses are live, in real time, complete with an instructor and classmates. Since they're virtual, you can be "in class" from the comfort of your home or office. It makes life easier, and safer for all.

Here's what we've got scheduled through March. To see a complete listing of 2021 courses or to register please visit www.irem.org
