Favorite quote:

"I can do all things through Christ who strengthens me." Philippians 4:13

"Just when we think we've figured things out, the universe throws us a curveball. So, we have to improvise. We find happiness in unexpected places. We find our way back to the things that matter the most. The universe is funny that way, sometimes it just has a way of making sure we wind up exactly where we belong." -Meredith Grey
