Its first international list was published in 2006 and since then has grown to provide lists in over 75 countries. Lawyers on The Best Lawyers in America list are divided by geographic region and practice areas. They are reviewed by their peers on the basis of professional expertise, and undergo an authentication process to make sure they are in current practice and in good standing.

Best Lawyers Ones to Watch is a recognition given to attorneys who are earlier in their careers for outstanding professional excellence in private practice in the U.S.

Ones to Watch recipients typically have been in practice for 5-9 years. The methodology for determining these awards is peer-review, since lawyers are the best resource to provide feedback on the caliber of the work performed by their peers.
