

Paul of H2M earns CFM certification

December 14, 2021 - Long Island

Melville, NY According to H2M architects + engineers, Kevin Paul, AIA, NCARB, LEED AP, vice president and director of private sector architecture, received his ASFPM Certified Floodplain Manager (CFM) certification from the Association of State Floodplain Management.

This certification recognizes Paul's extensive knowledge in floodplain management to meet the challenge of breaking the damage/rebuild cycle on the nation's human, financial, and natural resources.
