Job Title: Director of Business Development

Company Name: The Falcon Group

What was your greatest professional accomplishment or most notable project, deal, or transaction in 2021?

My greatest accomplishment within Falcon in 2021, was the rebranding of the company. We wanted a clean fresh start for the new headquarters office move and our 25th anniversary coming up in January 2022. We created a clean new logo and revamped our whole website that set us apart from the competition and presents a memorable impression on our clients.
