

January 2022 NYSCAR president's monthly message - by Dana Crocker

January 11, 2022 - Upstate New York

Dana Crocker

I want to thank James Walker for his outstanding leadership over the past two years as president of NYSCAR. Under James' leadership, NYSCAR members received over 60 hours of free continuing education last year! I'm pleased to report that the Board of Governors has voted to continue offering free education for NYSCAR members in 2022. Please watch your email for upcoming programs.

On January 26, (9:30 a.m.) NYSCAR will present a two-hour "Introduction to Cost Segregation" C.E. course (via Zoom) with Frank Giudici. We hope you join us for this interesting topic!

Why NYSCAR members should embrace the cost segregation industry:

Solidify client relationships...this is a tremendous tax savings value-add to offer clients who may not know any better;

A legitimate reason to reconnect with clients (past/present/future) Cost Segregation is retroactive, which means anyone who owns commercial real estate (yes, both residential- and commercial-uses) dating back to the early-2000's can still take advantage as part of their 2021 taxes without having to amend previous years' tax filings;

Generate more brokerage business...understanding how Cost Segregation works will allow brokers representing both buyers and sellers to close more business, and at a minimum, generate property interest;

Personal gain...as licensed brokers you are considered Real Estate Professionals (REP), a special designation on one's taxes that allows for depreciation deductions from the ownership of CRE to be used to offset any/all types of income, including your spouse...REPs are able to take full advantage of Cost Segregation;

If you would like to take the Intro to Cost Segregation course, please email Sherry at SherryMarr08@yahoo.com.
