What do you do now and what are you planning for the future? Cushman & Wakefield is one of the world's largest privately-held commercial real estate services firms. Founded in 1917, it has 221 offices in 58 countries and more than 15,000 employees. I am working with an internal group of brokers nationally to create a Global Mission Critical Practice Group. Cushman & Wakefield plans to broaden its service offering and improve the tools that our professionals use to deliver a better level of service to our clients.

Persons you admire most (outside of family): Warren Buffett, Tiger Woods, Brett Favre

Keys to success: Working smart and learning from successful role models. Old-fashioned hard work by getting in early and staying late, which is a thing of the past.

If you had to choose another vocation what would it be? Owning a private equity firm
