

## **DPS Group completes office expansion in Albany**

April 12, 2022 - Upstate New York

Albany, NY DPS Group, a privately-owned, global engineering, procurement, construction management and validation (EPCMV) firm serving high-tech process industries, just finished the second expansion of its office at the Zen Building, 201 Fuller Rd., in order to better accommodate and serve the growing needs of its clients.

Serving high-tech industries around the world, DPS Group delivers full-service engineering across a range of disciplines, including project management, procurement, design, construction management, health and safety management, commissioning, qualification, and validation (CQV), and facility start-up.

“Our client base in the advanced tech and life science industries has seen a steady and sustainable growth in recent years, and we are grateful for the trust our clients place in DPS,” said Werner Greyling, president of U.S. project operations.”

“With a focus on serving the microelectronics, semi-conductor, and life sciences industries in the New York region and beyond, we are excited to expand our offices and to continue recruiting top-notch talent,” said Michael Schwarz, senior vice president of Albany project operations.
